

Taco Kit Fundraiser

Moe's donates \$5 for each Taco Kit sold. Taco Kit Fundraisers are sold in advance through an online order form.

[Taco Kit Fundraiser Request Form](#)

For example: If your organization pre-orders 65 Taco Kits, your organization will receive a check for \$325.

How it Works:

- **Scheduling.**

Pick-up date, time and location are pre-determined and communicated through the online order form that is specific and unique to your organization. Start the process here: [Taco Kit Fundraiser Request Form](#)

- Pop-ups can typically be hosted Tuesday, Wednesday or Thursday with pick-up times beginning between 3p and 5p.
- Moe's suggests a half hour pick-up window to deliver a hot and fresh meal to all participants and maintain the quality you have come to expect and appreciate.
- Your order form link is unique to your organization so it can be easily shared with family, friends, and community supporters through social media and email.

- **Ordering.**

All orders must be placed by the order deadline provided to your group in the order form (typically 48 hours prior to the event). No order(s) can be accepted on site.

- To maximize efficiency and eliminate room for error, Taco Kits come with a standard build (as outlined below) and cannot be customized with substitutions or add-ons.
 - **Build Your Own Taco Kit** - Comes with 12 soft flour tortillas, your choice of two (2) proteins, lettuce, shredded cheese, pico de gallo, rice, beans, sour cream, and of course... a bowl of Moe's famous queso. As usual, the chips and salsa are on us! Serves 4-6 people.

- **Pick-up/Delivery.**

Organizations have the option for group representative(s) to pick-up the kits from the store or have Moe's deliver the kits to their identified event pick-up location.

- Groups that opt for pick-up must have an appropriate number of representatives from their group to transport all kits in one trip. Pick-up time is determined based on event start time.
- For groups that opt for delivery, Moe's will deliver your kits to the pick-up point, up to 10 miles from a Moe's Southwest Grill location for a fee of \$50 (100% of the delivery fee goes to the delivery team). Fee is deducted from funds raised.
- Delivery requires a minimum of 20 kits sold. Delivery would be approx. 15-20 minutes prior to event start.
- The organization is responsible for distribution (don't worry, it's easy - each kit comes individually boxed and labeled with the customer information).
- We recommend offering your guests a 30-minute pick-up window, as the food comes hot and ready to eat.

- **Collect your Check!**

- Funds are determined based on the pre-tax total of all sales placed through the organization's event order form.
- Delivery fees will be deducted from funds raised.
- Organizations can expect to receive funds within 7-10 business days following the event and will be issued by check from "Quality Fresca, LLC".

Questions? Contact us at MoesCares@QualityFresca.com. We look forward to working with you 😊
